Dear Parent or Carer,

**Re: Contact of confirmed case of a pupil in Year 10 in Ysgol Cwm Brombil, Bertha Road, Margam, Port Talbot, SA13 2AN.**

NHS Wales Test, Trace, Protect trace everyone who have been in contact with a person who has tested positive for COVID-19 (Coronavirus).

**Your child has been identified as a contact of a Confirmed case in Year 10 who travels on the CWMB9 bus on Friday 27<sup>th</sup> November, 2020, they must self isolate. If your child did not travel on the CWMB9 bus on Friday, 27<sup>th</sup> November, 2020 then please contact the school.** Self Isolation means that your child has been identified as **a contact of a confirmed case of COVID-19** and will now need to **self-isolate for 48 hours whilst we investigate contacts further with Track and Trace.** By identifying contacts and asking them to self-isolate, we will reduce the possible spread of COVID-19 from those contacts to their family, friends and the wider community.

**You will be contacted by the end of school on Thursday, 3<sup>rd</sup> December, 2020 with a further update as to whether your child will be allowed to return to school on Friday, 4<sup>th</sup> December, 2020 or whether they will need to self-isolate for 14 days. As soon as we are informed by Track and Trace we will be in contact with you.**

**Pupils should follow their normal timetable whilst at home, by logging into teams to access their work. Teachers will be on teams during their timetabled lessons for pupils to access. Form Teachers will be available at 8.30 a.m.**

Self-isolation advice **requires your child to stay at home**, not to go outdoors to exercise, to visit shops, family or friends, or to other public spaces. Please do not invite people to your house. Further information on self-isolation can be found in the link at the bottom of this letter.

This self-isolation cannot be reduced by having a test. A test is only for people who develop symptoms of COVID-19.

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Please be **alert for symptoms of COVID-19 in your child**, which are:

- A new or continuous cough
- A high temperature
- A loss of or change to sense of smell or taste

**If your child develops any of these symptoms, even if they are mild:**

- Book a test for them by phoning 01639 862757 or 119 or through the online portal: <https://www.nhs.uk/ask-for-a-coronavirus-test>
- Inform **Ysgol Cwm Brombil School** that they are unwell with COVID-19 symptoms and that you have requested a test
- Your child should remain in self-isolation
