Date: 18th November, 2020

Dear Parent or Carer,

Re: Contact of confirmed case of a pupil in Year 9 in Ysgol Cwm Brombil, Bertha Road, Margam, Port Talbot, SA13 2AN.

NHS Wales Test, Trace, Protect trace everyone who have been in contact with a person who has tested positive for COVID-19 (Coronavirus). Your child has been identified as **a contact of a confirmed case of COVID-19** and will now need to **self-isolate for 14 days from Monday, 16th November, 2020** By identifying contacts and asking them to self-isolate for 14 days, we will reduce the possible spread of COVID-19 from those contacts to their family, friends and the wider community.

If your child did not travel on the Blaengwynfi Bus (CWMB8) on Monday, 16th November then please contact the school so that the school are aware they were not on the bus on Monday, 16th November, 2020.

If your child is in Year 9 then this letter supersedes previous correspondence and your child must self isolate for the full 14 days.

Self-isolation advice **requires your child to stay at home**, not to go outdoors to exercise, to visit shops, family or friends, or to other public spaces. Please do not invite people to your house. Further information on self-isolation can be found in the link at the bottom of this letter. If your child remains well then the other members of the household do not need to isolate and can continue with their normal activities.

FORGING FUTURES TOGETHER

If your child is still well at the end of the 14-day period of self-isolation, they can return to **Ysgol Cwm Brombil School** and their other usual activities on **Monday, 30th November, 2020.**

This 14-day period of self-isolation cannot be reduced by having a test. A test is only for people who develop symptoms of COVID-19.

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Please be **alert for symptoms of COVID-19 in your child**, which are:

- A new or continuous cough
- A high temperature
- A loss of or change to sense of smell or taste

If your child develops any of these symptoms, even if they are mild:

- Book a test for them by phoning 01639 862757 or 119 or through the online portal: <https://www.nhs.uk/ask-for-a-coronavirus-test>
- Inform **Ysgol Cwm Brombil School** that they are unwell with COVID-19 symptoms and that you have requested a test
- Your child should remain in self-isolation
- All other household members should isolate for 14 days from when your child developed symptoms
- Do not visit a GP surgery, pharmacy or hospital but if you require medical advice please contact NHS 111 or telephone your GP; if there is a medical emergency phone 999

FORGING FUTURES TOGETHER

- If you require medical advice for COVID-19 symptoms or another reason, please inform the healthcare worker that your child is a contact of a case of COVID-19 and in self-isolation
- Please follow the advice provided when your child receives their test result

Further formation on Test, Trace, Protect can be found here <https://gov.wales/test-trace-protect-coronavirus>

Further information on symptoms and self-isolation can be found here <https://gov.wales/symptoms-and-self-isolation-contact-tracing>

For general information on COVID-19 <https://gov.wales/protect-yourself-others-coronavirus>

The COVID-19 online symptom checker can tell you if you need medical help and advise you what to do <https://gov.wales/check-if-you-need-coronavirus-medical-help>

With best wishes,

Mr. S. Clarke (Headteacher)
