Dear Parent or Carer,

**Re: Contact of confirmed case of a pupil in Year 10 in Ysgol Cwm Brombil, Bertha Road, Margam, Port Talbot, SA13 2AN.**

NHS Wales Test, Trace, Protect trace everyone who have been in contact with a person who has tested positive for COVID-19 (Coronavirus).

**Following on from previous correspondence, It has been confirmed that your child has been a contact of a confirmed case of a pupil in Year 10 and they will need to continue with their self isolation until Friday, 11<sup>th</sup> December, 2020. (Year 10 pupils that have returned to school this week following a previous isolation can attend school as normal).**

Self Isolation means that your child has been identified as **a contact of a confirmed case of COVID-19** and will now need to **self-isolate until 11<sup>th</sup> December, 2020**. By identifying contacts and asking them to self-isolate, we will reduce the possible spread of COVID-19 from those contacts to their family, friends and the wider community.

**Your child will be allowed to return to school on Monday, 14<sup>th</sup> December, 2020.**

**Pupils should follow their normal timetable whilst at home, by logging into teams to access their work. Teachers will be on teams during their timetabled lessons for pupils to access.**

Self-isolation advice **requires your child to stay at home**, not to go outdoors to exercise, to visit shops, family or friends, or to other public spaces. Please do not invite people to your house. Further information on self-isolation can be found in the link at the bottom of this letter.

This self-isolation cannot be reduced by having a test. A test is only for people who develop symptoms of COVID-19.

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Please be **alert for symptoms of COVID-19 in your child**, which are:

- A new or continuous cough
- A high temperature
- A loss of or change to sense of smell or taste

## If your child develops any of these symptoms, even if they are mild:

- Book a test for them by phoning 01639 862757 or 119 or through the online portal: <https://www.nhs.uk/ask-for-a-coronavirus-test>
- Inform **Ysgol Cwm Brombil School** that they are unwell with COVID-19 symptoms and that you have requested a test
- Your child should remain in self-isolation
- All other household members should isolate for 14 days from when your child developed symptoms
