

16<sup>th</sup> March, 2020

To all Parents / Carers,

In light of recent issues regarding Coronavirus. Can I please remind you of the following guidance from Public Health - see below link:

<https://phw.nhs.wales/topics/latest-information-on-novel-coronavirus-covid-19/self-isolation-advice/>

We advise that if pupils are presenting with symptoms that they are kept home and that you inform the school office.

We ask that you adhere to this advice so that we can ensure a safe environment for pupils and staff.

We are sending out guidance on work that can be accessed / completed at home.

If the School is advised to close in the future, further work will be sent out, however, the school is open as normal at this time.

If a decision is made to close the school in the future (for any reason), this information will only appear on the official school website not via any other Social Media platform. The school twitter account will direct you to the Official School Website in the event of a closure. This is to prevent the spread of fake news. We will also message parents / carers informing them directly.

Can we thank you for your continuing support during this time of uncertainty.

Yours Sincerely

Mr S. Clarke  
Headteacher
