

6<sup>th</sup> January 2021

Dear Parent / Carer

As expected, things have changed over recent days and we have now been advised to prepare for all learners to return to school on 18<sup>th</sup> January 2021. We will await further guidance from Welsh Government over the coming days but I would not be surprised if there is a further revision to this planned return date.

I am sure you are all as frustrated as we are with the fact that pupils are missing further time from school and I assure you we want our learners back in school as quickly as possible.

Pupils will continue to access their remote learning – if there are any issues with this, please contact us so that we can help.

Pupils who are accessing the Hub provision should bring a packed lunch. Pupils who are in receipt of free school meals will be provided with a packed lunch when they come into school.

If there are any further announcements from Welsh Government that affect these plans, I will communicate the relevant information to you as soon as possible.

Thank you for your ongoing support.

Kind Regards

Shaun Clarke
