

September 2021

Dear Parent/Guardian,

It has been an exciting start to the new term. We are delighted to welcome back our Key Stage 2 pupils and are pleased with the standard of uniform and their attitude towards their learning so far. They have settled back in really well and are set for an exciting year of learning.

We would like to invite you to a **'Year Ahead'** meeting on **Wednesday 29th September** at **5.00-6.00 pm** in the main school hall.

The purpose of the meeting is to provide you with important information regarding standards, expectations and systems as well as important dates for your calendar. There will be members of Senior Leadership Team, including class teachers present to help with any questions or concerns you may have. We will also be sharing information about our new school shop with you and will also be available to help if anyone is having difficulties accessing/downloading ClassCharts.

This is the first time we have been able to invite visitors onto site for some time. In order to help us plan accordingly, please complete the Form at the link below notifying us of your attendance. For parents unable to attend, information will be presented on the school website.
