

17th June 2022

Dear Parent / Carer

As we start our final term, I just want to update you on a couple of key dates.

INSET Days

Our next Inset day is planned for 27th June. When we returned to school in January, the Welsh Government insisted on us taking planning days to plan for any changes in Covid guidance. As a result, the inset day that was planned for January 4th had to be postponed and this will now be put on Friday 22nd July. This means that the pupils last day of school will be Thursday 21st July.

Year 10 Work Experience

We have made the decision to allow Year 10 pupils to undertake a week's work placement. We feel that this will have huge value in educating them with the demands of the world of work and I am sure they will gain benefit from the week. The date for this week is **11th-15th July**. Information has been sent through classcharts and there is a consent form that needs to be signed. Once a placement has been finalised with the pupils, they will bring home a form which will need to be signed and returned to school by 30th June at the latest. If this form is not returned then the placement will not be able to go ahead so we would ask for your support in ensuring they hand the letter over to you and bring it back to school.

We are thrilled that so many of our local businesses have agreed to work with us to offer placements to our pupils and offer our thanks for this.

Year 11

Most Year 11 pupils have completed their examinations and the rest of the year group will complete their final examinations at the beginning of next week. I would like to complement the whole year group on the way they have conducted themselves throughout this examination period. We are all aware of the extreme difficulty that this year has posed and all pupils are a credit to you. We look forward to seeing them on August 25th when they collect their results.
