

20<sup>th</sup> March, 2020

Dear Parent / Carer,

There has been significant discussion over the last 24 hours over the way schools will open from Monday onwards.

Could I firstly emphasise that the purpose of closing schools is to restrict and minimise social contact and therefore reduce the risk of being infected by the coronavirus.

**Therefore, if it is at all possible, please keep your children at home if you are a key worker.** Parents should not rely for childcare upon those who are advised to be in the social distancing category such as grandparents, friends, or family members with underlying conditions.

We will ensure that schools will provide caring facilities **only** for parents who are at the forefront of the national effort to fight the coronavirus disease. We want to ensure that these vital workers are given every opportunity to be in work and to get on with their efforts to protect our lives and wellbeing.

In accordance with the above, we will limit attendance at school next week to those who are employed within:

- **Health and social care sectors.**
- To **education and childcare staff**, including **social workers**.
- **Key public services**, ie those responsible for the management of the deceased.

**Local and national government**

- This only includes those administrative occupations essential to the effective delivery of the COVID-19 response, or delivering essential public services, such as the payment of benefits.

### **Food and other necessary goods**

- This includes those involved in food production.

### **Public safety and national security**

- This includes police and support staff, fire and rescue service employees (including support staff) and prison and probation staff.

### **Transport**

- This includes those who will keep the road and rail passenger and freight transport modes operating during the COVID-19 response, including those working on transport systems through which supply chains pass.

I would like to be very clear, we want to prioritise attendance at school to only those who absolutely need to be there and are eligible to be there according to this criteria. If you fall outside this criteria, we are not expected to receive your children. Please be considerate and understanding in these very challenging times.

Our school will also be open to our most vulnerable learners and school staff have made contact with all those parents / carers who fit into this category. Messages have been left where contact was not possible.

**If you do not fit into the categories listed above and have not had contact from the school, please do not send your child to school.**

**Pupils who attend school must wear school uniform and bring the usual learning equipment. Expectations around attitude and behaviour will be the same as they have been throughout the year in school. If there are issues with the behaviour of pupils, this may result in their place being withdrawn.**

**School hours will be 8.30-3.00 and normal home-school transport will be available.**

We are confident that if this advice is followed, we will all make a significant contribution towards protecting our pupils and our staff.

We will review these arrangements very carefully on a daily basis and will keep you apprised of any changes through the usual communication and media channels.

Yours Sincerely
