

Wednesday 1st March

Dear pupil and parent / guardian,

Your child's PPE examination results and recent Professional Predictions have been sent out to you today.

The **PPE grades** are generated from the examinations sat last half term. They do not include any classwork, non-examination assessment, coursework or speaking and listening assessments.

The **Professional Predictions** take into account all of the work your child has completed to date. These are a prediction of your child's final outcome in each subject, should they continue to work as they currently are.

We would like to invite you and your child to attend a one to one meeting with a Senior Member of staff to discuss your child's progress and attainment to date. Meetings will take place from Monday 6th March in School.

This meeting will be an opportunity to discuss the PPE results, Professional Predictions and the support required for your child to achieve their best results in the Summer exam season.

Appointments must be made via <https://ysgolcwmbrombil.schoolcloud.co.uk> **Please note that appointments will take place face to face in school** and not online.

We continue to be proud of all our Year 11 students as they prepare for their final assessments and exams. Thank you for your continued support.

Yours sincerely,

Ms K Burton
Deputy Headteacher
