•	Visitors who are with the school for the day and have lunch will be require to eat		
	their lunch in the allocated room provided to them for their visit.		
•	Each area/ classroom / office within the school has been assessed prior to use, to		
	ensure it is suitable to facilitate social distancing (this has been undertaking		
	looking at the size of the classroom, its measurements, number of desks to be		
	used to safely allow for social distancing.		
•	Due to the size of some corridors within the building, it will sometimes be difficult		
	to keep a to the government guidance when passing another employee. In order		
	to reduce this problem and to limit the amount of time employees are in contact		
	with each other, employees should not congregate or have discussions in		
	corridors.		
•	Each school lift has been assessed to determine how many persons can use the lift		
	safely. Markings have been placed on the floor of the lift to indicate where people		
	or where a wheelchair user and their 1:1 support should stand. All Lifts are in		
	working order.		
•	At this current time the school is unable to provide refreshments to visitors,		
	please bring a personal flask / lunch with you. We apologies for this at present.		
•	The staff rooms have been assessed and a number has been put on the doors		
	showing how many staff are allowed at any one time, due to the size of these staff		
	rooms, additional classroom will be available to allow for safe seating. B4 has		
	been set up as an additional staff room for staff to use.		
•	General cleaning wipes and Cleaning Spray have been provided in kitchens, office		
	and classrooms to allow staff to wipe down touch points (such as fridge door		
	handle / kettles) after use. These have been COSSH assessed. Visitors are		
	encouraged to wash hands thoroughly after touching communal equipment.	1	
	These are there for usage as needed.		
•	Rooms / Conference Rooms are cleaned prior to usage and once usage of the		
	room has ceased.		
•	Use of shared printers/photocopiers to be kept to a minimum. Only one person at		
	a time should be within the printing/photocopying area. When using these staff		
	must use the hand sanitiser provided before use and use again after use. Posters	100	
	have been placed in all shared photocopier areas along with hand sanitiser.		
Clear	ing and Unging		
<u>ciear</u>	ing and Hygiene		

•	The frequency of wiping down of high-touch areas will be increased throughout the day. High-touch areas include bathrooms/ toilets (not the toilet bowls), railings, tables/ desks /chairs, toys, equipment, door handles, sinks, light switches, etc. Disposable gloves and disposable aprons should be worn when cleaning is taking place. There will be 2 cleaners on site for most of the school day. Anti Bac Wipes will be placed in each room for staff to use as they feel they need to on high touch areas in their classroom. Cleaning will take place on the Principle of "Teach Germs a lesson" by using the school cleaning colour coded system. This is held by the Facilities Manager. SCREEN will be made up daily and to the correct dilution rates. Any unused product will be disposed of at the end of the day. An up-to-date COSHH assessment is available at the school in all cleaning cupboards.	
•	<ul> <li>All potentially contaminated waste will be placed into a clear bag, sealed and placed inside a second black bag and stored in an appropriate area away from all other waste until 72 hours has passed when it will be disposed of in the normal manner. Caretakers will collect these bags and place in the bin store with a clear dated label on it.</li> <li>All Visitors must wash/sanitise their hands on entry into the premises.</li> <li>Soap, running water and hand drying facilities are available in every toilet and in each classroom that has a sink.</li> </ul>	
•	<ul> <li>Hand washing must take place at regular intervals during the day. Signage has been placed in toilets, sinks, etc. to remind pupils/staff to wash for at least 20 seconds.</li> <li>A supply of disposable tissues will be available in each classroom and room within the school. These are to be monitored and replenished regularly. Separate clear plastic bags for the tissues are available in each classroom and other key locations around the school. These clear bags will be collected at the end of the school day and double bagged with all the others for 72 hours.</li> </ul>	
•	Bottles of Dettol Surface Cleaner Spray Bottles and Dettol Surface Cleaner Wipes have been provided in each classroom / office and areas of use for visitors to use during the day to wipe down areas as and when pupils move from undertaking their intervention. Disposable Gloves have also been placed in these areas for usage. Cossh assessments have been produced for both products and staff have been shown how to use.	

Perso	onal Protective Equipment (PPE)		
•	It is the visitors responsibilty to provide their own PPE for usage if required.		
•	All Visitors MUST wear a face mask at all times on the school premises.		
	All Supply staff will adhere to the PPE requirements of the school		
<b>C</b>		2	
Suspe	ected coronavirus (COVID-19)		
	<ul> <li>If a visitor whilst on premises is suspected a Level 2 clean must take place</li> </ul>		
	when cleaning the areas where a person suspected of having COVID-19 has been.		
Move	ement around/use of premises		
•	Classroom doors must rem <mark>ain</mark> closed at all times as these are Fire Doors. SLT will		
	consider any pupils that are likely to abscond.	1 A A A A A A A A A A A A A A A A A A A	
•	Visitors must adhere to the one-way systems in place.		
•	Fans are not to be used in classrooms or offices.		
•	Play equipment / toys that require high levels of shared use (lego, plasticene,		
	building blocks sand play pits) etc. are not to be used.		
•	Activities that require physical contact should not be conducted.		
•	Water fountains have been switched off at present, if you require water this can		
	be purchased through the canteen or you can bring your own with you.		
		4	
Meet	ings / Training / School Business		
•	Face to face interaction should be reduced as much as possible. If a	1	
	visit/meeting/work can be done via telephone/skype/teams etc. then this should		
	be considered as the safest method. Otherwise consideration must be given to		
	whether the government guidance on social distancing is achievable.		
•	Parents/Guardians will be requested to ring the school and not enter the school		
	premises in the first instance – meetings with parents will take place under the		
	head teachers discretion.
