You will be aware that we altered the times of lesson / lunch to support pupils with their remote learning – the lesson / lunch times will now revert back to normal. We will put a reminder of these times on the class 'Teams' for pupils. Remote lessons will continue to run for 50 minutes.

Friday 12th March will become a consolidation day for all pupils where they will have some time to get up to date with work in readiness for coming back to school the following week.

Pupils will be expected to wear masks throughout the school day – including in lessons, unless exempt – please ensure your child comes to school equipped with at least one face mask.

Pupils will finish on Friday 26th March for the Easter holidays and all pupils will return to school from Monday 12th April 2021.

The school canteen will be open to serve food and pupils are expected to wear full uniform on their return. If pupils have PE on a particular day, they can wear their PE kit to school. Expectations in terms of uniform, behaviour and attitude are the same as when we started back in September. I would ask for your full support as we want to get the pupils back into learning as quickly as possible with minimal disruption.

We are all aware that there is a big task ahead of us in terms of supporting pupils with catch up and we will all need to work together in order to help all of the pupils within our school community.

These are the plans as they stand today. If there are any further announcements from Welsh Government that affect these plans, I will communicate the relevant information to you as soon as possible.

Thank you for your ongoing support.

Kind Regards

Shaun Clarke
