### Spring Term 2024

It has been wonderful seeing our children across the school share their end of term learning. We've had a number of film premieres and dance shows taking place this week. We even had a local celebrity Richard Hibbard attend and award trophies to our Year 5 children for their acting performances! We'd like to thank Mr Hibbard and all of our parents for attending each of the performances, it was clear to see how happy this made our children.

A special mention to our PTFA for organising a fantastic school disco this week. Your hard work and dedication made it a memorable event for all of our children and we thank you for your commitment in providing these opportunities. If anyone is free to support our PTFA please get in contact as any help is always greatly appreciated.

We would also like to thank you all and our local businesses for your generous donations to the Easter raffle this week!

It has been positive to see our primary phase attendance figures rising this term. Thank you for your continued support!
