EXCITING NEWS

We are thrilled to announce our new partnership with Ysgol Cwm Brombil offering the students a chance to play the Parisian way!

Our Player Development Programme (PDP) is open to boys and girls of all levels from beginners to advanced players. The PDP has been created to allow all players aged 8-16 to develop their game both physically and mentally.

Paris Saint-Germain Academy Wales Player Development Programme includes:

- Development Programme set across 10 weeks
- Sessions designed by Paris Saint-Germain: Play the Parisian way!
- Coaching delivered by PSG Academy UK Coaches (Coach ratio of 1:15 players)
- Each player will receive a Paris Saint-Germain Academy Wales kit
- Testing on arrival
- Player Mentoring
- Full Player report at the end of the block
- End-of-block certificate
- Discounted merchandise for all Academy Players

The sessions will be held after school on Mondays on the following dates:

Block 1 (10 sessions): September 9th, 16th, 23rd, 30th, October 7th, 14th, 21st, November 4th, 11th, 18th, 25th.

Players will also learn about the importance of nutrition, fitness, and conditioning to highlight the importance of maintaining a healthy lifestyle on and off the training ground.

Our trained Paris Saint-Germain Academy coaches offer guidance throughout each session and ensure that every player has individual mentoring during the session.

Paris Saint-Germain Academy Wales Player Development Programme cost:

- £36.00 (incl. VAT) registration fee (one-off payment for the season)
- £7.80 (incl. VAT) per session (booked as a 10-week block)

If your child is interested in being part of the Paris Saint-Germain Academy Wales at Ysgol Cwm Brombil, please register using the following link: <https://www.psgacademyuk.com/pdp-booking-form/>

If you have any questions, please contact: lowri@psgacademyuk.com

We look forward to training the players and welcoming them into the Paris Saint-Germain Academy Wales family.

Kind regards,

Lowri Hunt

Rounders

Fabulous day out with the year 10 rounders team at Pontardulais. Good communication and excellent teamwork.

Well done to the year 8 girls for competing in the year 8 rounders tournament. The girls were amazing from start to finish.

YCB Gardens

The year 9 pupils have had a fabulous couple of weeks, learning how to use a variety of campfire stoves. The cooking of burgers was of course essential!

With strong competition from his peers, Oscar's design was selected to be our official logo for outdoor learning. What an incredible achievement.

Attendance Information

Our attendance target for all students is 100% and our **minimum expectation is 95%**. The infographic above shows the impact of days missed and minutes late can have on a child's learning.

For example:

- If a child is **late to school just 5 minutes** each day, throughout the year that equates to **3 days lost to learning (15 hours)**.
- Attendances of **97%** allows for one day of absence per half term and results in **30 hours lost to learning**
- **Important Reminders:**

1. Parents **MUST** contact school to report any absences on **01639 760110 before 8.30 am**.
2. Parents should contact the school **each day** that a pupil is not attending.
3. If the school are not notified, then **you will be contacted** by a member of the Attendance team to find out why your child is not in school.
4. If you child is not notified of the reason for the absence it will be recorded as **unauthorised absence**.
5. If there are three unauthorised absences in a row, the Safeguarding Lead and Education Welfare Officer will be made aware in order to ensure that you child is safe.
6. You will be required to produce medical evidence if you state that your child is ill for 3 or more consecutive days.
7. We will ask the school Healthcare Professional to contact you if there is an absence of more than 2 weeks.
8. Term time leave will only be granted by the headteacher on request.
9. Where possible, **all appointments should be made outside of the school day**.

Vaping/ e-cigarettes

Information regarding e-cigarettes / vaping

We want to bring to your attention the worrying trend amongst a few peoples in school. We are taking this issue very seriously due to the negative health effects vaping can have and the negative affect it can have on a pupil's learning. This letter aims to:

- Inform you of the issue;
- Give you access to information and resources;
- Alert you to the consequences if your child vaping on school property

What is vaping?

Vaping is the act of inhaling a vapour produced by an e cigarette or electronic vaporiser (vape). The vapour that is inhaled usually contain nicotine, which is highly addictive, and many other chemicals which are potentially harmful. Some vapes even contain cannabis oil! The liquids that are inhaled are often flavoured and can even smell fruity. Some vapes are marketed with sweet like names and come in attractive colours.

Health concerns

The aerosol from e-cigarettes can be damaging to a person's health, particularly the developing bodies of adolescents. It can contain harmful chemicals, including nicotine; ultrafine particles that can be inhaled deep into the lungs; flavourings such as diacetyl, a chemical linked to lung disease; volatile organic compounds such as Benzene which is also found in car exhaust fumes and heavy metals such as nickel, tin and lead which can build up to toxic levels in the body over time.

There has been a significant increase in underage vaping over the last couple of years.

Vaping is illegal to under 18's. Research shows that the adolescent brain is far more susceptible to addictive substances and this ultimately leads to an unnecessary and potentially harmful distraction from the child's learning.

Our first and foremost concern is pupil health and safety. Pupils who are using these devices are inhaling nicotine and other harmful chemicals thinking it is safe. Pupils purchasing and using these vapes, particularly those from the internet, risk inhaling higher levels of nicotine than cigarettes. Nicotine is addictive and can harm brain development in adolescents. There is also the risk of other illegal substances and even more dangerous substances in some of these vapes.

How the school has responded,

There has been a significant amount of publicity about the concerns with underage vaping. At Ysgol Cwm Brombil we have installed vape alarms as a deterrent in toilets around the school. These allow us to identify pupils that are vaping and impose consequences as well as provide support for what is, essentially, an addiction to nicotine.

Consequences for a child found vaping on school site and / or bringing a vape onto the school site.

Smoking (including the smoking of e-cigarettes / vapes) is against the law for young people under the age of 18, and, as our policy states, smoking is prohibited throughout the school premises. This includes school buses.

Pupils caught vaping will receive an afterschool detention in the first instance, an internal exclusion if they are caught a second time and a third time will result in an external exclusion from school.

The e-cigarette / vape will be confiscated and the child's parent / carer informed. The parent / carer may collect the e-cigarette / vape in the following week. Under no circumstance will they be returned to the child themselves. If the e-cigarette / vape is not collected within a week it will be safely disposed of.
