Vaping/ e-cigarettes

Information regarding e-cigarettes / vaping

We want to bring to your attention the worrying trend amongst a few peoples in school. We are taking this issue very seriously due to the negative health effects vaping can have and the negative affect it can have on a pupil's learning. This letter aims to:

- Inform you of the issue;
- Give you access to information and resources;
- Alert you to the consequences if your child vaping on school property

What is vaping?

Vaping is the act of inhaling a vapour produced by an e cigarette or electronic vaporiser (vape). The vapour that is inhaled usually contain nicotine, which is highly addictive, and many other chemicals which are potentially harmful. Some vapes even contain cannabis oil! The liquids that are inhaled are often flavoured and can even smell fruity. Some vapes are marketed with sweet like names and come in attractive colours.

Health concerns

The aerosol from e-cigarettes can be damaging to a person's health, particularly the developing bodies of adolescents. It can contain harmful chemicals, including nicotine; ultrafine particles that can be inhaled deep into the lungs; flavourings such as diacetyl, a chemical linked to lung disease; volatile organic compounds such as Benzene which is also found in car exhaust fumes and heavy metals such as nickel, tin and lead which can build up to toxic levels in the body over time.

There has been a significant increase in underage vaping over the last couple of years.

Vaping is illegal to under 18's. Research shows that the adolescent brain is far more susceptible to addictive substances and this ultimately leads to an unnecessary and potentially harmful distraction from the child's learning.

Our first and foremost concern is pupil health and safety. Pupils who are using these devices are inhaling nicotine and other harmful chemicals thinking it is safe. Pupils purchasing and using these vapes, particularly those from the internet, risk inhaling higher levels of nicotine than cigarettes. Nicotine is addictive and can harm brain development in adolescents. There is also the risk of other illegal substances and even more dangerous substances in some of these vapes.

How the school has responded,

There has been a significant amount of publicity about the concerns with underage vaping. At Ysgol Cwm Brombil we have installed vape alarms as a deterrent in toilets around the school. These allow us to identify pupils that are vaping and impose consequences as well as provide support for what is, essentially, an addiction to nicotine.

Consequences for a child found vaping on school site and / or bringing a vape onto the school site.

Smoking (including the smoking of e-cigarettes / vapes) is against the law for young people under the age of 18, and, as our policy states, smoking is prohibited throughout the school premises. This includes school buses.

Pupils caught vaping will receive an afterschool detention in the first instance, an internal exclusion if they are caught a second time and a third time will result in an external exclusion from school.

The e-cigarette / vape will be confiscated and the child's parent / carer informed. The parent / carer may collect the e-cigarette / vape in the following week. Under no circumstance will they be returned to the child themselves. If the e-cigarette / vape is not collected within a week it will be safely disposed of.

- Abdominal pain

IMMUNE SYSTEM

- Can harm your immune system increasing your risk of illnesses

ARTERIES

- Increases blood pressure and risk of heart attack and stroke

Attendance Information

Our attendance target for all students is 100% and our **minimum expectation is 95%**. The infographic above shows the impact of days missed and minutes late can have on a child's learning.

For example:

- If a child is **late to school just 5 minutes** each day, throughout the year that equates to **3 days lost to learning (15 hours)**.
- Attendances of **97%** allows for one day of absence per half term and results in **30 hours lost to learning**.

Important Reminders:

1. Parents **MUST** contact school to report any absences on **01639 760110 before 8.30 am**.
2. Parents should contact the school **each day** that a pupil is not attending.
3. If the school are not notified, then **you will be contacted** by a member of the Attendance team to find out why your child is not in school.
4. If you child is not notified of the reason for the absence it will be recorded as **unauthorised absence**.
5. If there are three unauthorised absences in a row, the Safeguarding Lead and Education Welfare Officer will be made aware in order to ensure that you child is safe.
6. You will be required to produce medical evidence if you state that your child is ill for 3 or more consecutive days.
7. We will ask the school Healthcare Professional to contact you if there is an absence of more than 2 weeks.
8. Term time leave will only be granted by the headteacher on request.
9. Where possible, **all appointments should be made outside of the school day**.

Sports Clubs

Rugby

Thank you to Rhys Lawrence and NPTC Rugby in coming to watch and meet the pupils. Some excellent rugby on show by the boys. A massive thank you to the parents for their support over the last 5 years when their child has been playing.

Badminton

Great day at Badminton Wales yesterday with our teams. Brilliant work by all and congratulations on the qualifying team.

Galician Visit

This week our Galician friends from EIS Val do Tea school, Galicia, Spain visited us. To return the warm welcome the international club students received when they visited last October, our Galician visitors engaged in a rich cultural exchange with students from our International club, run by Miss Stead and Mr. Davies.

On the Monday we welcomed them to our school and delved into literacy tasks conducted in Welsh, English, and Galician. On Tuesday, we immersed ourselves in the historical tapestry of Wales, exploring Margam Abbey and Park, discovering absorbing narratives of Wales' and Port Talbot's past. Wednesday we saw our guests experiencing education in our normal classroom settings, where they saw Welsh education and the Welsh language firsthand. On Thursday, we visited St Fagans, which provided further insights into our national heritage and customs, followed by a visit to see Wales' continuing development in Cardiff Bay unveiling intriguing facts about the area, it's history and the Senedd. Lastly, on Friday we had a sensory feast, we indulged in food-tasting sessions and savored Welsh and Galician linguistic melodies, Ysgol Cwm Brombil's choir performed as well as some Ukrainian folk music too!

The farewell was marked by sentimental Welsh tunes, the traditional "Twmpath" dance, and heartfelt goodbyes that encapsulated the bond forged between cultures during their memorable visit. Hope to continue this wonderful partnership going forward.

Performing Arts

Last weekend the Performing Arts Department took 37 pupils, some of the cast of our upcoming school production of BEAUTY AND THE BEAST, for a rehearsal weekend. We stayed at the lovely Urdd Centre, situated in the Millennium centre Cardiff. Pupils were outstanding all weekend, rehearsing all day Friday to Sunday, with a fancy-dress disco on the Saturday night where pupils got to dance the night away. Pupils had great fun!

Both staff and pupils thoroughly enjoyed the weekend and I have to commend all pupils on their excellent behaviour and manners. Staff at the Urdd centre commented on how lovely and polite our pupils were. They really were a pleasure to take away for the weekend and we look forward to the same time and place next year!

I would personally like to thank pupils for their very hard work, commitment and enthusiasm over the past six months. It has been a great journey to where we are now and you are all in for a treat!

Tickets are on sale now and can be purchased via ParentPay or from myself during break and lunchtimes in the theatre.

We look forward to seeing you on the nights of the show!
