Important change of date!

Due to an unavoidable cover requirement the school will be holding an INSET day on 20th May (this has been moved from 21st June). This is the same day as the GCSE Unit 2 English Literature examination. All Year 10 and Year 11 pupils will be required to attend school at 8:30am, as usual.

The school will be closed to pupils in other year groups.

Further details about the exam arrangements on this day will be sent out next term.

Thank you for your support in this matter.

Beauty and the Beast

“Outstanding!”, “Amazing!” “what talent!” Just some of the comments from the delighted audiences this week as they came out of the school production Beauty and the Beast. Playing to a sold out crowd every evening the show was a spectacular success. It was wonderful to see such a large cast, from across years 7 – 11. A huge congratulations to the pupils and a massive thankyou to Miss Caroline Michael and her whole team for producing such a fabulous show!

Outdoor learning

It's been a busy first term for outdoor learning at Ysgol Cwm Brombil, with both of our gardens being a hive of activity. Pupils have been coming to the gardens for sessions in forest school and gardening.

There is never a quiet time in gardening, but March seems to be the busiest time of all. We've been sowing seeds, making raised beds for soft fruit, constructing a workshop, planting a willow dome and planting fruit trees. You may have seen at the front of the school some of the pupils have been working relentlessly to give the area a bit of attention, which will be planted up in the coming weeks.... keep a look out for those blooms popping up soon!

We would love you to get you involved with us, whether that's though volunteering your time, or simply donating a plant or pack of seeds. Come say 'Hi', the pupils would love the opportunity to show you around the gardens, and the many wonderful things they've achieved.

We have also started an afterschool club that will be held every Wednesday. Please see the poster below for more information.

Flowerpots Gardening club

Each week the flowerpots will take part in all aspects of gardening, and vegetable growing, as well as garden related crafts.

**Every Wednesday
2.45-4.00**

Meet Angie in reception.
Wellies or old trainers **MUST** be worn

YSGOL CWM BROMBIL

Eisteddfod

On Wednesday Lucy Owen (year 10) performed and competed in Bro Dur last night for the Eisteddfod regional qualifier.

She came a commendable second place. Llongyfarchiadau Lucy.

Breaking News! a huge congratulations to the following year 7 students who competed in the regional Urdd recitation competitions today in St Davids Church Neath.

Ymgom - Poppy Thomas, Jenson Nash and Eva Davies – 1st place

Lleparu – 1st place – Isabella Lightbown

2nd place – Coulton Cooper

3rd place – Alfie Harris

The winners will now go on to the National Urdd Eisteddfod in Montgomeryshire during the May half term! Pob Lwc!

Attendance Information

Our attendance target for all students is 100% and our **minimum expectation is 95%**. The infographic above shows the impact of days missed and minutes late can have on a child's learning.

For example:

- If a child is **late to school just 5 minutes** each day, throughout the year that equates to **3 days lost to learning (15 hours)**.
- Attendances of **97%** allows for one day of absence per half term and results in **30 hours lost to learning**.

Important Reminders:

1. Parents **MUST** contact school to report any absences on **01639 760110 before 8.30 am**.
2. Parents should contact the school **each day** that a pupil is not attending.
3. If the school are not notified, then **you will be contacted** by a member of the Attendance team to find out why your child is not in school.
4. If you child is not notified of the reason for the absence it will be recorded as **unauthorised absence**.
5. If there are three unauthorised absences in a row, the Safeguarding Lead and Education Welfare Officer will be made aware in order to ensure that you child is safe.
6. You will be required to produce medical evidence if you state that your child is ill for 3 or more consecutive days.
7. We will ask the school Healthcare Professional to contact you if there is an absence of more than 2 weeks.
8. Term time leave will only be granted by the headteacher on request.
9. Where possible, **all appointments should be made outside of the school day**.

Vaping/ e-cigarettes

Information regarding e-cigarettes / vaping

We want to bring to your attention the worrying trend amongst a few peoples in school. We are taking this issue very seriously due to the negative health effects vaping can have and the negative affect it can have on a pupil's learning.

This letter aims to:

- Inform you of the issue;
- Give you access to information and resources;
- Alert you to the consequences if your child vaping on school property

What is vaping?

Vaping is the act of inhaling a vapour produced by an e cigarette or electronic vaporiser (vape). The vapour that is inhaled usually contain nicotine, which is highly addictive, and many other chemicals which are potentially harmful. Some vapes even contain cannabis oil! The liquids that are inhaled are often flavoured and can even smell fruity. Some vapes are marketed with sweet like names and come in attractive colours.

Health concerns

The aerosol from e-cigarettes can be damaging to a person's health, particularly the developing bodies of adolescents. It can contain harmful chemicals, including nicotine; ultrafine particles that can be inhaled deep into the lungs; flavourings such as diacetyl, a chemical linked to lung disease; volatile organic compounds such as Benzene which is also found in car exhaust fumes and heavy metals such as nickel, tin and lead which can build up to toxic levels in the body over time.

There has been a significant increase in underage vaping over the last couple of years.

Vaping is illegal to under 18's. Research shows that the adolescent brain is far more susceptible to addictive substances and this ultimately leads to an unnecessary and potentially harmful distraction from the child's learning.

Our first and foremost concern is pupil health and safety. Pupils who are using these devices are inhaling nicotine and other harmful chemicals thinking it is safe. Pupils purchasing and using these vapes, particularly those from the internet, risk inhaling higher levels of nicotine than cigarettes. Nicotine is addictive and can harm brain development in adolescents. There is also the risk of other illegal substances and even more dangerous substances in some of these vapes.

How the school has responded,

There has been a significant amount of publicity about the concerns with underage vaping. At Ysgol Cwm Brombil we have installed vape alarms as a deterrent in toilets around the school. These allow us to identify pupils that are vaping and impose consequences as well as provide support for what is, essentially, an addiction to nicotine.

Consequences for a child found vaping on school site and / or bringing a vape onto the school site.

Smoking (including the smoking of e-cigarettes / vapes) is against the law for young people under the age of 18, and, as our policy states, smoking is prohibited throughout the school premises. This includes school buses.

Pupils caught vaping will receive an afterschool detention in the first instance, an internal exclusion if they are caught a second time and a third time will result in an external exclusion from school.

The e-cigarette / vape will be confiscated and the child's parent / carer informed. The parent / carer may collect the e-cigarette / vape in the following week. Under no circumstance will they be returned to the child themselves. If the e-cigarette / vape is not collected within a week it will be safely disposed of.
